Winterguard and Winter Percussion Competition 2011

Dear Directors and Staff:

Welcome to the 17th annual Wilcox High School Winterguard and Percussion Show. I hope you are ready for a great day of competition. Currently there are a total of 24 units registered to compete in the show, so we can expect a fantastic array of creativity, talent, and excitement. Thank you for being a part of it!

I am pleased to announce once again this year, the 2009 WGI World Champion **Santa Clara Vanguard Winterguard** will be performing. The Vanguard Souvenir trailer will also be here selling items and will have information available regarding their programs. The **San Jose State University Marching Band** will also be here to talk to anyone interested in learning more about the college marching band life.

You can find the following items attached to this email and on our website:

- Map of and directions to Wilcox High School
- Show schedule (Always subject to change)
- Announcer's information sheet (please have filled out for check-in)
- Performance Gym Map
- Peggy Sue's Food Menu

You may also find these forms on our website at: www.wilcoxmusic.org/wintershow.htm

Director's pass (1), staff passes (3) and performer's bands will be handed out at check-in. Due to limited seating, all performers are requested to sit on the backside of the gym. Should you care to sit with the spectators at the front, you will have to purchase tickets. At the show, there will be locker rooms for your performers. And, of course, a Director/Staff Lounge will be set up for your enjoyment.

Providing outstanding food once again is the very popular **Peggy Sue's**. We are still finalizing the menu for this year. To give you an idea for the menu items, last year's menu is available on the website.

Please note: For the percussion groups that perform early in the competition, school is in session until 3:00. Unfortunately the bus/truck parking lot will not be available until after school is out. **Please do not** try to pull onto campus before 3:00 as you will be asked to turn around. We will do everything we can to make the parking lot available as soon as possible so you may park and unload. We apologize for any inconvenience this may cause.

Should you have any additional questions or concerns please do not hesitate to contact me directly.

Sincerely,

Robert Nieves
